Debra's 1 year old class: February

February has fewer days than other months, but we had no shortage of fun and learning in our one-derful one's class! We started off our month learning 4 colors: red, yellow, green & blue. The kids enjoyed dipping a small cup into each color and pressing it onto a paper to make colorful circles! Then we brought in 3 more colors – purple, pink & white – to paint Valentine hearts on the easel. But the kids' favorite way to paint was with their hands and fingers! It's fun to get messy while being creative! Another favorite activity was simply getting outside and playing in the warmer weather where we noticed lots of colors in nature! We read several books about colors and a book about a father who loved his son, Joseph, and gave him a colorful coat.

And we also learned about our Heavenly Father who loves us so much and tells us to

“Be kind to each other.” (Ephesians 4:32) and that “God is love.” (1 John 4:16).

February in Mrs. Gaymon's K4

Mister postman look and see
Is there a letter in your bag for me
On Valentine's Day, my sweet little postmen delivered all of their valentines to their friends. Some were able to read the names, and some of the boys matched up the letters. It was such a fun way to practice our early reading skills!

There were many other fun activities in February as well. We showed our love for our dads by eating delicious donuts with them. (I personally can't think of many better ways to express love than with sweets.) The boys really enjoyed showing off their dads to one another.

We studied letters Dd, Vv, Gg, and Rr. We are almost done with the alphabet! Our units have centered around dads, love, volcanoes, dinosaurs, and we are wrapping up the month with a knight unit. The boys have already been appointed knights of the King Jesus, and they are ready to obey His orders. I pray that they truly understand the depth of God's love for them, and they follow the King of Kings their entire lives.

“...how wide and long and high and deep is the love of Christ...” –Ephesians 3:18
